WHEREAS, Chapter 4, Article 8, Revised Ordinances of Honolulu (ROH) 1990 as amended, requires a major public facility, including a fire station, to be shown on the appropriate public infrastructure map for a development plan area before the City Council may appropriate land acquisition or construction funds for the facility; and

WHEREAS, the Honolulu Fire Department Tactical Training Facility will provide the Honolulu Fire Department the opportunities to conduct tactical training scenarios on varying types of structures and props to simulate a multitude of tasks specific to fire, search, rescue, and other emergency situations; and

WHEREAS, the development of the Honolulu Fire Department Tactical Training Facility, as shown in Exhibit A, is consistent with the General Plan and the Ewa Development Plan; now, therefore

BE IT RESOLVED by the Council of the City and County of Honolulu that the Public Infrastructure Map for the Ewa Development Plan area be revised to include a symbol for a fire station symbol as shown on Exhibit A; and

BE IT FURTHER RESOLVED by the Council of the City and County of Honolulu that the fire station symbol shall be deleted from the Ewa Public Infrastructure Map by administrative procedure once completion of all necessary components have been certified in writing by the Department of Design and Construction and the Honolulu Fire Department to the Department of Planning and Permitting and the City Council; and
